Smokers' Oasis™

The Ultimate Cigarette Butt Disposal Solution

by EX-CELL Kaiser LLC USA

Congratulations on your purchase of the Smokers' Oasis™, the all steel fire safe solution to cigarette butt disposal and litter control.
To Clean, simply unsnap hasp closure, empty the butts and wipe clean with a damp cloth.

If you have any problems with missing or damaged parts or the assembly instructions, please call us at 1-847-451-0451 or email us at service@ex-cell.com

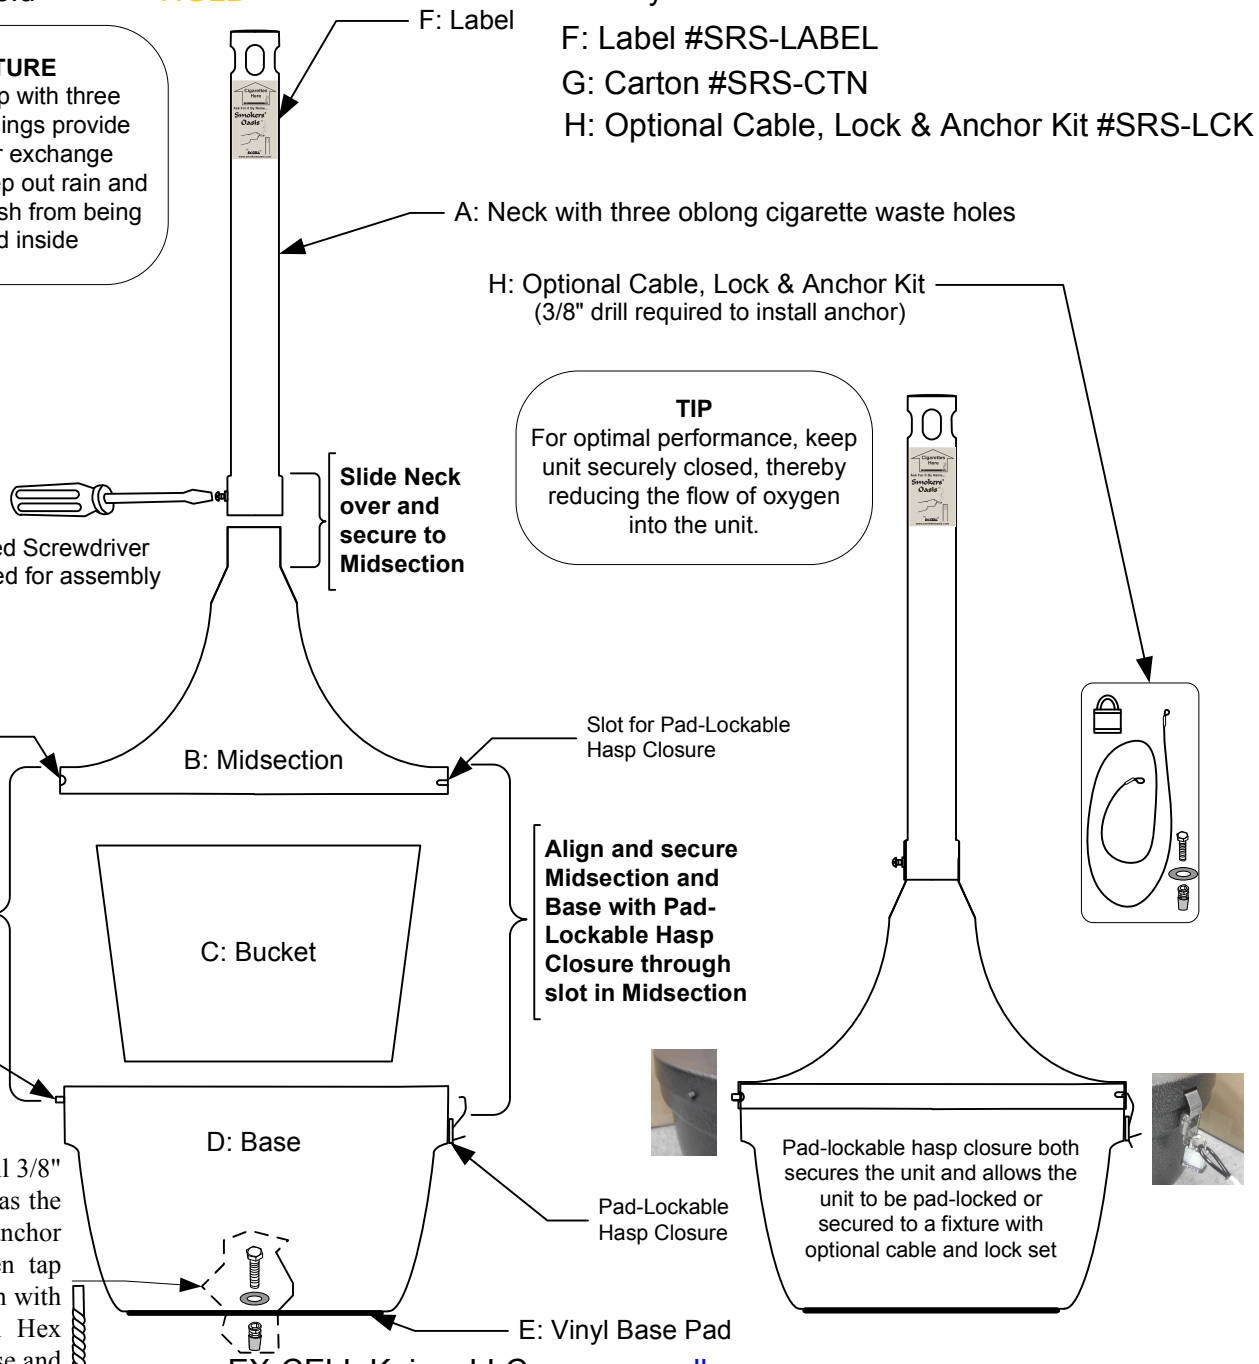
STANDARD FINISHES AVAILABLE

Black Gloss	BLK
Hunter Green Gloss	HGR
Sandstone	SND
Hammered Charcoal	HCCL
Hammered Copper	HCPR
Hammered Gold	HGLD

PARTS LIST

A: Neck #SRS-NECK (Finish Code)
B: Midsection #SRS-MDS (Finish Code)
C: Bucket #SRS-BKT
D: Base #SRS-BASE (Finish Code)
E: Vinyl Base Pad #SRS-PAD
F: Label #SRS-LABEL
G: Carton #SRS-CTN
H: Optional Cable, Lock & Anchor Kit #SRS-LCK

FEATURE
Covered top with three oblong openings provide minimal air exchange and helps keep out rain and unwanted trash from being dropped inside



TIP
For optimal performance, keep unit securely closed, thereby reducing the flow of oxygen into the unit.

To install anchor, drill 3/8" hole at least as deep as the anchor. Insert anchor (cone end first), then tap anchor until it is flush with the surface. Tighten Hex Bolt through SRS base and washer into anchor.
